Holy greetings in the name of the Lord Jesus Christ our Savior.

Dr. Linda D. Men and women of God will be ministering the word of God and Pastors Varn and Earma Brown, of Armorbearers International Ministries, Dallas Texas will be sponsoring an Armorbearers workshop for Armorbearers in training or just need a refreshing. Send your leader on a three-day get-away just to be minister to, and encouraged. They have been in the process and it has not killed them, but they do need to be encouraged.
